

I have received the DIS Re-investment Notice (DRN). What should I do?

- 1 Since you have never previously given your trustee any investment instructions for your MPF benefits, after the new Default Investment Strategy (DIS) legislation takes effect on 1 April, the benefits in your MPF account will be re-invested according to the DIS[#], unless you give your trustee specific investment instructions.

- 2 If you want your MPF benefits to remain invested in the fund(s) that you currently invest in, you need to complete the Option 2 Form and return it to your trustee. The Form must reach your trustee before the date specified[△] in the DRN.

- 3 If you do not take any action in a timely manner, your accrued MPF benefits and any future benefits put into your account will be invested according to the **預設投資 DIS**.

If you have any questions,
please contact your trustee.

[#] The relevant fees and risk levels will change accordingly.

[△] The specified date will generally be a date 42 days after the date of the DRN.
